

MESSAGE FROM THE PRINCIPAL:

Welcome to Aloe Park Primary School's website, our School's motto is "Think, Advance, Conquer" and we cater for learners from Grade R - Grade 7 with a range of disabilities and abilities. Aloe Park Primary School adheres to the Batho Pele principles, we highly involve learners in co-curricular and extra-curricular activities. As an SMT we manage, care and support human rights issues, advocate for substance abuse, health hazards issues and cater for an internal school nutrition programme to our learners.

I as the Principal have adopted a programme "ADOPT A CHILD" where I urge the businesses and the community to care as "MY CHILD IS YOUR CHILD". High standards and expectations for our learners in regard to academic performance. Learners who have highly achieved are acknowledged with certificates per each subject as a form of encouragement to strive to excel.

We conduct annual prefect induction leadership courses for our senior classes (Grade 7's) and develop their leadership skills. It is with pride that we hold these high standards and ask each of our learners to commit to maintain the extraordinary record of achievement and contribution that has been the legacy of Aloe Park Primary School.

It is the contribution of our learners to our School's community that makes Aloe Park Primary School an exceptional Institution. Academic Participation, Co-curricular Programs and the Willingness to act responsibly as an individual within our school environment are the factors that enable all learners to have a successful and enjoyable year.

The vision of a well-educated, skilled and highly developed citizen is consistent with the Aloe Park Primary School in pursuance of a literate and skilled society capable of participating in all democratic processes and contributing to the growth of the people in the school for the school to achieve their vision. There has to be proper Management and Governance. This places responsibility on my shoulders and the SMT, Educators and SGB who are all involved in the operation of the school.

Entrusted to the SMT of the operation is the provision of quality teaching and learning. Thus, all of us who are entrusted with this task do all in our power to be mindful of the core values of the School.

I hope you enjoy your visit to the School's website, should you wish to contact us, please find details at the top of the page.

Yours in education

Mrs N Mlotshwa

Principal
